Mission:

The Laurentian Vision Partnership is a regional coalition that promotes the development of productive post mining landscapes by cooperating in:

- Preserving lands to sustain current and future mining
- Promoting landscape options for post mining uses
- Identifying and discussing new development opportunities
- Providing the tools to achieve these goals

Next Steps and Responsibilities

- Communication and education
- Sub-regional leadership development and expanded commitment to Charrette implementation and related priorities
- Institutionalizing the LVP design principles
- Providing relevant baseline and customized data and supporting technical resources
- Engaging and challenging the sub-regional groups to use this information and resources to build economic development opportunities
- Making sure we add value for our funders and partners which comprise and support this voluntary endeavor.
