Chisholm Area Mining Impacts

Funding provided by Iron Range Resources & Rehabilitation Board through its Mining Impact Planning Program
The Evolving Project

Chisholm comprehensive plan identifies and plans for mining impacts.

New IRRRB program creates opportunity for addressing mining impacts.

Chisholm plan follow through: TH 169 & CSAH 5 relocations.

New model of pre-planning for regional mine impacts.

Focus became CSAH 5 / TH 169 set aside for future work.

“Tomorrow” becomes “today”.
