Thank you for supporting LVP through 2016, financial contributors
Partnership Priorities & Coordinators Report
LVP Innovation Grant

The Laurentian Vision Partnership Innovation Grant Program assists cities, townships, mining companies or joint powers boards with projects to promote the LVP vision and mission of "transforming pits and piles to living lakes and landscapes...our legacy for the future" within the IRRRB service area.

The Laurentian Vision Partnership (LVP) Innovation Grant Program prepares communities for change and growth in the IRRRB service area. The program assists cities, townships, non-profits or joint powers boards with projects to promote the LVP vision and mission including preserving lands that sustain current and future mining, promoting landscape options for post mining uses, and identifying and discussing new development opportunities.

Eligible Applicants: Cities, townships, non-profits or joint powers. Multi-organization collaboration is welcome.

Funding: The Laurentian Vision Partnership Innovation Grant Program is funded at $200,000 for FY 2015. The maximum grant award is $100,000

This program funds projects in one or more of the following categories:
- Preserve lands that sustain current and future mining
- Promote landscape options for post mining uses
- Identify and discuss new development opportunities
- Provide the tools to achieve these goals
New Grant Process

- Application Scoring Sheet
- Conflict of Interest Form
- Purpose: to adhere to the Office of Grants Management policy
New Mining Maps Reminder

• Both new and old mining maps are on the website
• Please use as a resource for land use planning and to understand the locations of past, current and future mining areas
• Great job on the maps Tim Pastika – Thank you!
