

Laurentian Area

Rock Ridge School District.

The Rock Ridge High School is scheduled for completion in August of 2023 and the Eveleth elementary is due to be complete in December 2023.

Litigation between ERATS and Rock Ridge has been settled.

Both of these pictures are of the elementary school.

MECC

The MECC remains on schedule to open by October 1 of 2021. Here are some pictures of the construction project.

October 12

## MECC CONSTRUCTION UPDATE:

The weather last week was great! Unfortunately our Earthwork crew had to be in quarantine last week however TNT was able to get another crew on site to continue with soil corrections. A massive amount of select granular was brought in and placed. The majority of the West lot and roadways around the building have now been corrected. We are continuing with concrete walls and footings along with Plumbing and electrical rough ins at block walls and underground. The Masons are laying up walls in Arena. This week, Wells concrete will be here to layout and install anchors for the precast panel bracing We will start erecting precast wall panels next week!

## Leadership Program

The Laurentian Leadership Program 2021 will kick off soon. Applications are due by November 21 and tuition will be \$600. Participants will receive 20 hours of classroom leadership training (socially distanced or in person or via remote video) as well as perform some sort of community volunteer effort with their cohort.

## Small Business Saturday

We are promoting shopping local this Christmas shopping season. We plan to expand our Small Business Saturday to be a week long promotion of shopping at local stores rather than from online sources.

We are currently fundraising for this event and expect to announce a large grand prize raffle item people can win by shopping at one of our participating businesses.
